

**St. Johns Technical High School
School Advisory Council Meeting
Thursday, May 18th, 2017**

Call to Order: Mr. Manley called the meeting to order at 8:34

Members in Attendance: Bruce Manley, Jennifer Gamble, Donna Soncrant, Linda Meyer, Essie Martin, Darci Blake, Ashley Jasmin, Susan Abramowitz

Treasurer's Report: As of today the SAC committee has \$997.66. The money from the prior teacher request still pending. (\$495 for problematic subscription)

Survey Review:

- Almost all students filled out surveys. A large majority of students feel as though they have the opportunity to use technology at school. Most students enjoy using technology to complete assignments. Over 80% of students feel like they have someone to talk to about school issues.
- Many students disagree that the discipline plan is enforced consistently. Many students also feel as though they don't have enough opportunities to visit the media center.
- Overall, there were many positive comments from students about our school.
- When reviewing the teacher survey, we realized that #20 should state "Instructional Literacy Coach" to clarify the question

Parental Input: No parents present.

Teacher fund request: None

Open forum: N/A

Adjournment: The meeting was adjourned by Mrs. Gamble at 8:59, seconded by Ryan Sirak

Respectfully Submitted,

Megan Young
