## SJTHS Statement of Purpose

The purpose of St. Johns Technical High School is to provide an alternative setting, grades 6-12, that specializes in matching individualized instruction with career opportunities.

### Our Mission

The APEX Program will provide a challenging and supportive educational environment for students who have not been successful in traditional classrooms.

### Our Goal

To provide students with educational, social, and career experiences that help them become valuable, self-supporting members of our community and the world.

## APEX Program Highlights

### Academics

- Allows for grade acceleration
- Designed for grades 6, 7, and 8
- Customized learning paths
- Offers rigorous standards based academic classes
- Provides workplace/ career education exposure
- Provides a hands-on interactive technological learning experience

### Performance

- Mastery of Florida State Standards through various real-world experiences
- Increase reading, writing, and math skills
- Demonstrate and utilize the Pillars of Character

### Excellence

- Possibility for grade acceleration
- May earn grade recovery in the APEX lab
- GED Preparedness available

## Admission Criteria

- Student has been retained at least one year
- Administrative/teacher/parent referral
- Applications provided for the above process

### Admission Documentation

- FSA Test Results
- iReady Results
- Successful completion of a full year at the previous grade level (Pupil Progression)
- Attendance and Discipline Record From previous school

Upon receipt of all required documents, applications will be reviewed for admission. You will be contacted regarding admission or denial into the program.
