A NEW and EXCITING opportunity at SJTHS

Five St. Johns Technical High School seniors have been selected to participate in an internship opportunity to learn job skills in the cafeteria at St. Augustine High School. This new partnership is a pilot with St. Johns County School District's Food Services and St. Johns Technical High School, with the hopes to expand the program in the fall of 2014. The internship will last 2 weeks and begin on May 5, 2014 until May 16, 2014, daily from 9:15 a.m. to 1:15 p.m. With graduation rapidly approaching, this terrific experience will help our SJTHS students become career ready after high school.

Congratulations Jae Birch 1st place winner in the "Drop Savers" poster contest. Jae was honored at the St. Johns County Commissioners Office where she also received a \$50.00 gift card to target.
