2018-2019 Instructional Materials Adoption- Mathematics

The St. Johns County School District curriculum department representatives and adoption committee members are currently conducting the review process for the 2018-2019 Instructional Materials Adoption for Mathematics. Resources are available for review at <http://www.stjohns.k12.fl.us/media/instructional-resources-media-services/textbooks/adoption/> by our parents and community members. The core resources that have been submitted for evaluation are listed on the state adoption consideration lists. AP materials that will be reviewed are from College Board recommended materials. If you are interested in serving on an adoption review committee, please contact the principal or assistant principal.

Some print materials may be available for review. If you would like access to the available printed materials or require assistance reviewing the online resources, please call the Instructional Resources and Media Services office at 904.547.3947. Materials are available for review from 8:00 AM – 4:30 PM when district offices are open. Resource lists may be revised throughout the review process. Please check the website frequently for updates.

Please note the following Florida statute regarding instructional materials that pertains to parent input regarding adopted materials:

F.S. 1006.28 (1)(a)(3) Each district school board must establish a process by which the parent of a public school student may contest the district school board’s adoption of a specific instructional material. The parent must file a petition, on a form provided by the school board, within 30 calendar days after the adoption of the material by the school board. The school board must make the form available to the public and publish the form on the school district’s website. The form must be signed by the parent, include the required contact information, and state the objection to the instructional material. Within 30 days after the 30-day period has expired, the school board must conduct at least one open public hearing on all petitions timely received and provide the petitioner written notification of the date and time of the hearing at least 7 days before the hearing. All instructional materials contested must be made accessible online to the public at least 7 days before a public hearing. The school board’s decision after convening a hearing is final and not subject to further petition or review.

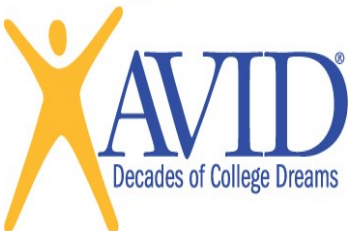

St. Johns Technical High School Open Enrollment for 2019-20 School Year

We customize and deliver an appropriate learning path for each student, offer rigorous, standards based academic classes, and provide workplace/career education exposure.

Applications for admission for grades 6-12 are currently being accepted (Current students are not required to re-apply). See the Guidance Counselor at your current school or download the application from our website at www-sjths.stjohns.k12.fl.us. Space is limited, so apply now!

SJTHS New Applicant Open House

Gamble Rodgers Middle School.**

Juniors and Seniors sign up for the ACT

Test Dates for 2018-19

April 13 Jul 13

Jun 8

See Mr. Church for more information

Do you plan to return to SJTHS?

Parents, our annual intent to return letters will be sent home within a week. Please complete and return ASAP. We will be reviewing each student who intends to return later in the spring.

Super Finish at the Souper Bowl!

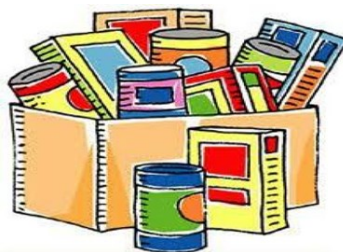

The Academy of Culinary Arts at St. Johns Technical High School took 1st place amongst local area restaurants in the 2019 Souper Bowl soup competition. The students' Creamy Tortilla Soup won the People's Choice Award over chefs from 26 local restaurants!

The Academy of Culinary Arts students have participated in the Souper Bowl for the past four years. Each year, the students hone their soup making skills. From roasted and fresh vegetables, homemade stock and even deboning the chicken, everything that went into their award winning soup was made from scratch and with TLC. The students carefully prepared two different varieties of their delicious Tortilla soup, both chicken and vegetarian with Jack Fruit. The soup tasters were able to top off their soup with handmade tortilla strips, avocado, cilantro, Cotija cheese and sour cream.

The students were thrilled with the winning outcome. Not only did they refine their culinary skills but they gained confidence in their abilities to compete with professionals in the industry. The Souper Bowl is also phenomenal service learning experience in which the rewards of serving those in need is the real victory for the students.

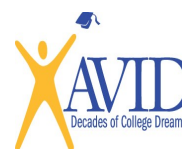

Blessings in a Backpack

Any family requiring extra food assistance for Spring Break please contact Ms. Abramowitz at 547-8133 or the Main office by March 11.

Parents please be sure that all Middle School students have their binder and all supplies for each class. Remember that backpacks are not allowed in the classroom.

Algebra Geometry and Biology tutoring is no longer after school and is being held during lunch. See teacher for your assigned days.
