Budget Review: Report submitted by SJTHS Finance Manager

Old Business: There was no old business
New time for meeting worked well.

New Business:

SAC Survey – the committee invited Ms. Crownover to share about the SJTHS SAC survey from last year. The committee reviewed the previous year survey's for the parents, students and staff that were sent out and the results of last years surveys. The committee made revisions to the staff survey to remove #28 which references the temperature control of the classrooms. It was also discussed that the survey would condense #18-19 and use the word administrators. The committee will continue to review the survey's to make any additional changes and then a final draft will be presented at the next SAC meeting in February for committee approval. If approval is given the 2025 SAC survey will be sent to parents, faculty and staff, and students.

Reports: Dr. Pillay gave a Principal's report. He explained that the state of the school is improving and that gains continue to be made for our students. Approval has been granted for a room in the school to be converted into a weightlifting gym for our students. The pickleball court and two basketball hoops will be installed soon. Additionally, we will be getting new cafeteria tables to replace our tables. He also reported that we have an active PTO and they will be fundraising to provide funds for our school.

Open Agenda: No additional items to discuss
