Budget Review: Report submitted by SJTHS Finance Manager

Old Business: The by-laws were updated and approved.

New Business: Mrs. Costello presented two funds' requests from the math department. One was for class sets of calculators. The other request was to renew the Delta Math subscription. Both requests were approved.

Principal's Report: Dr. Sanzo reported that our school has seen a great decrease in discipline issues/referrals. This results in minimized distractions with an increased focus on student success and a concentration on academics. Free turkey dinners will be provided to families in attendance on November 20th. Our school will be hosting a Holiday Dance for students on December 12th.

Open agenda: The committee had a round table discussion highlighting new offerings for students. Ms. Mickley shared that she and Mr. Hudgins applied for grants to receive art supplies for students. Mrs. Howard discussed the dual enrollment course she is teaching through the St Johns River State College on campus. Mr. Antolin shared that there is a new pickle ball court on campus for students. Dr. Sanzo discussed the new Fishing Club started by Ms. Sinclair. These new opportunities for students contribute to the positive culture at SJTHS.
