Budget Review: Report submitted by SJTHS Finance Manager; there have been no funds requests submitted since the last meeting.

Old Business: March meeting date was changed from March 18 to March 25 to accommodate Spring Break.

New Business: Because our quorum was met, a motion was made to ratify and approve all actions taken at prior meetings of SJTHS SAC committee during the 2025-2026 school year.

Principal's Report: Dr. Sanzo stated that our current enrollment is hovering around 177 students. We expect to have 50 graduates this year. Last year we had 62. On February 12th, SJTHS is hosting a Recruitment Night from 5-7:30 pm with a pasta and chicken dinner provided. Prospective families will have the opportunity to tour the campus, interact with staff and current students, and complete an application if interested. Our graduation date is May 22 and will be located on the FCTC campus. He discussed the behavior shift among our students. They are focusing on academic success with fewer behavior incidents. Dr. Sanzo shared an OSS summary that highlights this shift. He then informed the committee about a new school initiative for our Seniors entitled, "The Way of the Wolf." Beginning this week, five faculty members will meet with each Senior to aide them in their transition from high school to post graduation. A working document will be used to help our Seniors with planning for success after graduation. They will continue to meet with this core group of faculty members during the rest of the spring semester.
