Dear Parent/Guardian:

SJTHS is growing! As we wrap up this very busy/productive school year, we are excitedly preparing for the 2016-17 school year. In the next few weeks, we will begin building our master schedule. We would like to know what your son/daughter's plans are for the 2016-17 school year.

Please sign and return this form indicating your student's plans for next year.

For middle school students, please contact our APEX Coordinator, Essie Martin, 547-8501, if you have any questions. For high school students, please contact our guidance counselor, Richard Church, 547-8499, if you have any questions.

Sincerely,

Cynthia A. Williams
