SJTHS

Parent Responsibility Compact

As a parent or guardian of a SJTHS student, I fully commit to the vision and values of the school and to the college preparation of my student as my highest priority in the following ways:

RESPONSIBILITY – please initial next to each statement.

- _____ I will send a note to the school when my student is going to be absent or tardy.
- _____ I will stress the importance of attendance with my student and will not remove her/him from school before the end of the school day, or allow her/him to miss school days.
- _____ I will schedule doctor and dentist appointments after school hours or on school holidays where possible.
- _____ I will attend every scheduled parent/teacher conference.
- _____ I will check my student's clothing daily for correctness, knowing that the dress code is an important, unifying part of the SJTHS community.
- _____ I will never hesitate to call my student's teachers or counselor with questions concerning my child's academic and behavioral needs.
- _____ I will make sure my student stays for After-School Tutoring on Wednesdays, once the schedule is announced.
- _____ I will address with my student any issues that involve social and emotional conflicts at school.

ACHIEVEMENT – please initial next to each statement.

- _____ I will question my student about their daily learnings and school events.
- _____ I will be aware of the district's Master Calendar with important dates of interims, report cards and testing.
- _____ I will check my student's progress weekly on Home Access Center (HAC).
- _____ I will check my student's planner daily for assignments and homework.

Reciprocally, the School's compact with the parents and students promises to deliver:

- Vetted and proven high-quality teachers and staff.
- A school atmosphere that is warm, friendly, and respectful.
- A school community focused on what is best for the students.
- Real help with any problem, situation, or concern parents might have on their student's learning success or social welfare.
- Frequent communication on student's progress and school's progress.
- Exposing students to a broad array of career paths and culture through enrichment provided by outside community partners.
- Assisting students to develop a serious plan for their future.
- A "Goals Only Plan" school meaning every adult on the campus, every parent, and every student shares responsibility for learning and outcomes.
