

ST. JOHNS TECHNICAL HIGH SCHOOL

Title I, Part A Informational Newsletter

What is Title I?

Title I is a federal program designed to offer supplemental services and supplies to schools with a high rate of poverty.

The goal of Title I is to give *EVERY* child a high-quality education.

Importance of Title I

Title I can help:

- Children be more successful in school
- Parents to have a voice in their child's education
- Teachers to collaborate with parents to assist their child's education

The Basics of Title I

The Title I program starts with:

- The Federal Government
- They provide funds to the states each year for Title I after the state sends a plan in detailing:
 - What children know and should be able to do
 - High- quality standards that children are expected to meet

Ways that student progress will be measured

- The Florida Department of Education (FLDOE) receives the money from the Federal Government.
- The Florida Department of Education will then send the money to the districts based on the number of families that receive free and reduced lunches

Once the Local School District receives the money from the State.

- The Local School District then identifies eligible schools and distributes the funds

The Title I schools, the parents, administrators, teachers and staff devise a plan to:

- Identify students who need the most help
- Measure student progress using the state standards
- Develop programs that help to supplement classroom instruction

St. Johns County Title I Schools

For the 2020-2021 school year, St. Johns County has 6 eligible Title I schools:

Crookshank Elementary School

Osceola Elementary School

St. Johns Technical High School

South Woods Elementary School

Webster Elementary School

Transition School

Parents Matter!

Parents are important to your child's education

Your involvement shows:

- How education is important to you
- That you and the school are a team

The spring surveys you complete assists in the development of activities for the school

How to Help

- Work with your child at home
- Volunteer in the school
- Communicate with your child & the school staff
- Become and stay involved in your school advisory council to have input in –
 - Determining goals for the Title 1 program
 - Planning and carrying out the Title 1 program
 - Evaluating the Title 1 program

Get Involved

Attend meetings and read our compact and plans

- Annual Title I Meeting
 - Provides information about Title 1 and your rights and responsibilities as a parent
 - Describes what the school is offering to meet students' needs
 - Provides access to other parents as well as teachers for collaboration
- The Parent-School Compact
 - States the goals and responsibilities of school, parents and students
- Title I Parent Family Engagement Plan
 - Allows parents to understand and take part in your child's education

Support your Title I school!

- Learn about your local Title I program
- Take advantage of what Title 1 has to offer
- Get involved in your child's education
